Curriculum Vitae

Name: Karl Wackerberg
Date of birth: 870324
Address: Löparegatan 15
416 69 Göteborg
Phone number: +46(0)31198918
E-mail address: karl@wackerberg.se

Driving licence: Yes

Education:

I am now attending my final year at Gothenburg Technical Collage where I study a specially-designed technical programme with university path and vocational major technical science.

Language skills:

My mother tongue is Swedish besides that I am able to express my self fluent in English both oral and written and got beginners skills in German and French.

Work experience:

During my time at GTG I have until now made in total fourteen weeks of work placement at Volvo. Four weeks at Volvo Trucks and four weeks at Volvo Car Corporation as an assembler in the assembly line. Six weeks in the plant area at Volvo Car Corporation where I worked with mapping and analyses of quality, environment and cycle times.

Future goals:

In the near future my goals are to develop my language skills and reach a bigger understanding of other cultures through education and work abroad.

Future goals in a long time perspective:

My future goal is to attend and finish a master of engineering education in industrial economics or machine technology.

Spare time activities and hobbies:

In my spare time I love to live on the edge, canoe, scout and ski. I appreciate an active leisure time. Except from the above stated I like fast and good looking cars.
